

**Imagine IT! Planning Technology  
with your Community**

# Agenda

- Why we did it
- Consultation Methods
- Special Considerations
- Assessment & Analysis
- What did we learn?
- What did we make of it?

# 4 Drivers

- Changing Communities
- Changing Economic Markets
- Technological Evolution
- Learning Transformation

# #BCTech Summit

**#BCTECH**  
Summit

**BC JOBS  
PLAN**

# Why we consulted

# The Process

- Market research
- Interviews and focus groups
- Graffiti Walls
- Survey questionnaires
- Technology Fair

## IAP2's Public Participation Spectrum

	<b>Inform</b>	<b>Consult</b>	<b>Involve</b>	<b>Collaborate</b>	<b>Empower</b>
<b>Public participation goal</b>	To provide the public with balanced and objective information to assist them in understanding the problem, alternatives, opportunities and/or solutions.	To obtain public feedback on analysis, alternatives and/or decisions.	To work directly with the public throughout the process to ensure that public concerns and aspirations are consistently understood and considered.	To partner with the public in each aspect of the decision including the development of alternatives and the identification of the preferred solution.	To place final decision-making in the hands of the public.
<b>Promise to the public</b>	We will keep you informed.	We will keep you informed, listen to and acknowledge concerns and aspirations, and provide feedback on how public input influenced the decision.	We will work with you to ensure that your concerns and aspirations are directly reflected in the alternatives developed and provide feedback on how public input influenced the decision.	We will look to you for advice and innovation in formulating solutions and incorporate your advice and recommendations into the decisions to the maximum extent possible.	We will implement what you decide.
<b>Example techniques</b>	<ul style="list-style-type: none"> <li>■ Fact sheets</li> <li>■ Web sites</li> <li>■ Open houses</li> </ul>	<ul style="list-style-type: none"> <li>■ Public comment</li> <li>■ Focus groups</li> <li>■ Surveys</li> <li>■ Public meetings</li> </ul>	<ul style="list-style-type: none"> <li>■ Workshops</li> <li>■ Deliberative polling</li> </ul>	<ul style="list-style-type: none"> <li>■ Citizen advisory Committees</li> <li>■ Consensus-building</li> <li>■ Participatory decision-making</li> </ul>	<ul style="list-style-type: none"> <li>■ Citizen juries</li> <li>■ Ballots</li> <li>■ Delegated decision</li> </ul>

*What can you tell us about the community's needs and interests – as they relate to technology and otherwise?*

# Graffiti Walls

# Graffiti Wall Questions

1. What technology would you like to find/use/learn about at the library?
2. How is technology changing your community?
3. When does technology frustrate you?
4. How does technology help or inspire you?

# Consultation by the Numbers

**22 groups  
consulted**

**533+ Tech Fair  
attendees**

**65 people  
interviewed**

**1843 pieces of  
public input**

*What is your current level  
of skills and knowledge  
around technology?*

*Are you satisfied with that?*

# Open-Ended Questions

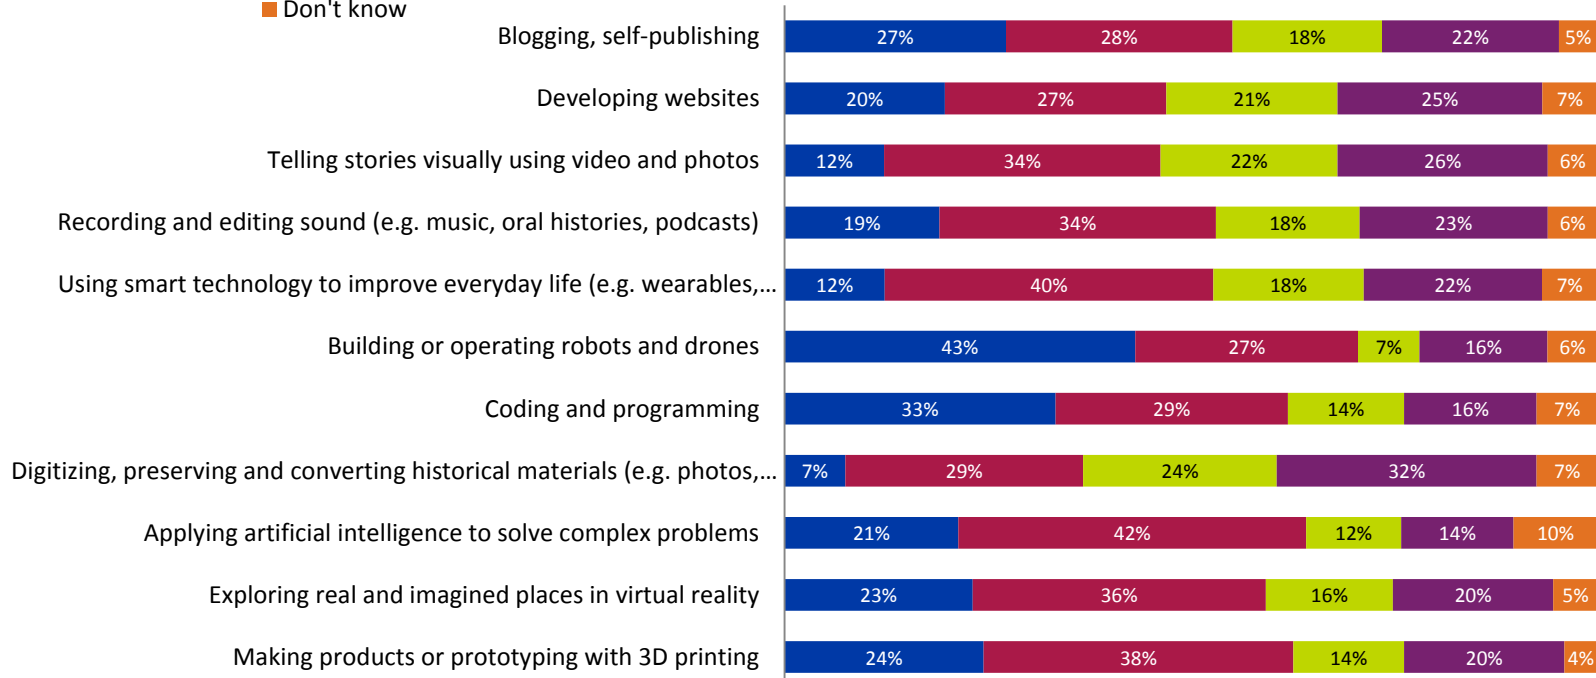

## I was inspired by...

# And closed

## How interested are you in the following technologies?

- Not interested
- Curious and I'd like to learn more
- Interested and I have some ideas about how I might use it
- Bring it on! I've been waiting for this
- Don't know

# Tech Fair

# Tech Fair

# Tech Fair

# Embedding Feedback

- Enlist booth staff
- Exit survey
- 7 Priority Card sorting exercise
  1. Community technology products
  2. Delivering library services digitally
  3. Digitization + digital conversion
  4. Introducing new technology
  5. Spaces + equipment for innovation and collaboration
  6. Technology skills development
  7. Video/audio production + editing

# Youth & Newcomers

# Youth

# Newcomers

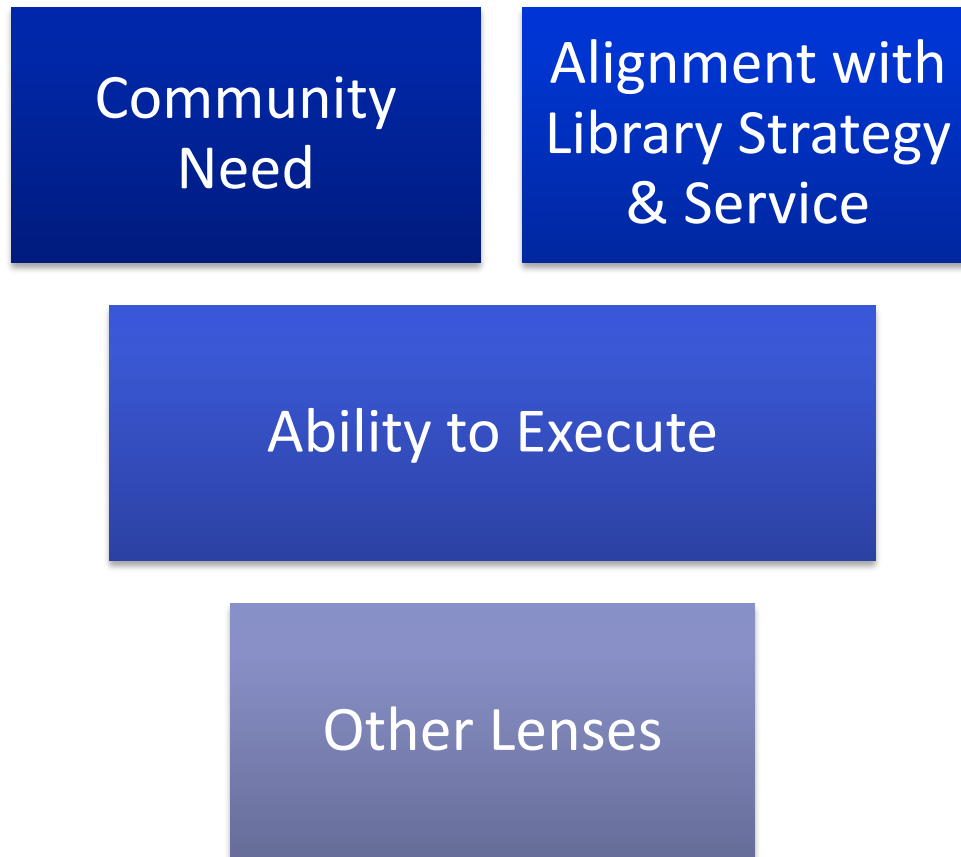

# What we learned

# Bonus Benefits

- Confidence
- Ability to substantiate our decisions
- New relationships
- Deeper relationships
- Potential partners

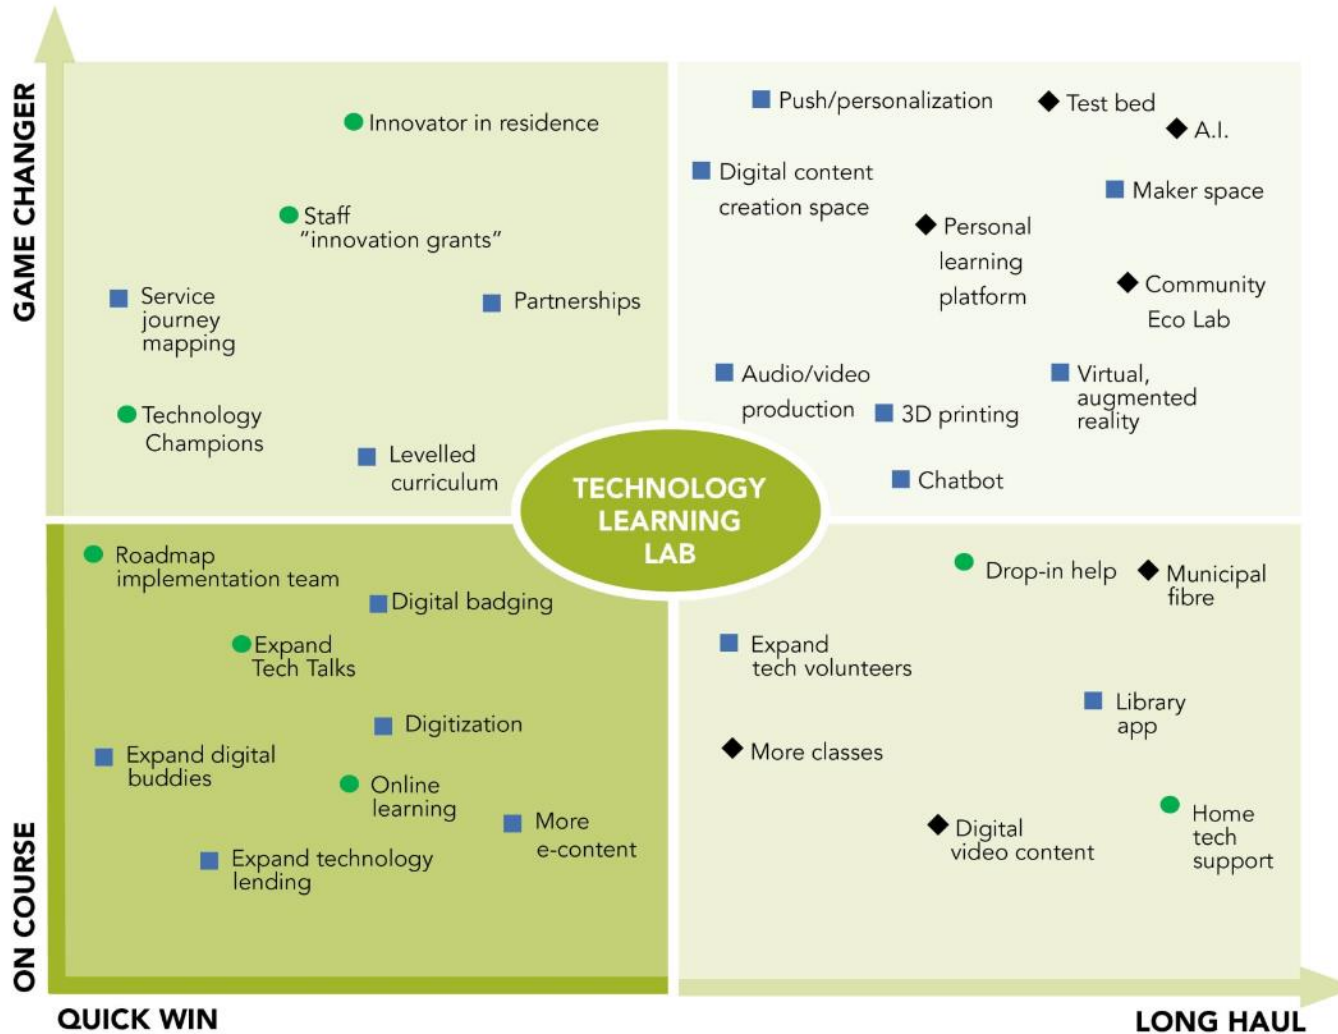

# What we made of it

At a Glance

● Easy   ■ More Difficult   ◆ Difficult

# 5 key technology themes

- Support technology skills development, resilience and confidence
- Enable residents to digitally preserve their memories, tell their stories and express their perspectives
- Introduce and champion new technology
- Connect people and solve problems through technology
- Build on our strengths and increase our capacity
