Strathcona County  
**LIBRARY**

The events of  
November 6 left us  
without a home and  
without access to our  
collections.

But not for long ...

Bookmobile service continued without a hitch ...

# Library open in Proshop

The amazing folks at Recreation, Parks & Culture offered us the proshop space at the Broadmoor Golf Course, which we could use as a temporary library.

We opened the doors on the afternoon of November 10.

Slave Lake Stuff A Bus With Books

A group of approximately 15 people, including children and adults, are posing in front of the bus. Many are holding children's books. Some individuals are wearing costumes, such as a pirate hat and a penguin hat. One person is wearing a red jacket with the text 'I ❤️ SLAVE LAKE' on it. The group is arranged in two rows, with some people kneeling in the front.

Patrons started to find their way back to us right away. Some of them even brought snacks!

Our families pitched in, local organizations offered space, and shipments came to a staff member's house.

And the restoration of the library in the Community Centre also got underway.

Restoration  
work  
continued  
at the  
Community  
Centre library.

As it was cleaned, everything was wrapped under plastic.

And we found the  
perfect next space.

Edmonton  
Public Library  
generously  
loaned us all  
kinds of  
shelving and  
equipment.

Lots of  
carpet ...

One of the last steps was replacing carpet on the main floor.

And now, we're nearing the end of this particular chapter in the Library's life story.

The temporary library will close at 9 pm  
on Tuesday, April 30.

The Bookmobile will continue to  
run on its regular schedule.

And we'll re-open the doors of the  
Community Centre Library at 9:30 am  
on Wednesday, May 8.

Strathcona County,  
thank you so much for your support.

Every kind word, every gesture, every hug has  
meant so much to us.

And we can't wait  
to welcome you home.
