## STEP 4: AUDIOBOOKS!

1. Go to your **BOOKSHELF** and select **DOWNLOAD** in **MP3 AUDIOBOOK**, the book will now open in your OverDrive for download.

Download (MP3 Audiobook)

Listen (In your browser)

Expires in 21 days

Anne of Green Gables
L. M. Montgomery

Select all of the files to download, and your progress bar is on the bottom of the OverDrive program.

↓↑ Transfer

2. Once your files have downloaded, click the **TRANSFER** button to transfer the files onto a MP3 compatible device. OverDrive will let you know if there are any additional software required to transfer files (such as iTunes). Make sure your device is plugged in with the USB charging cable.
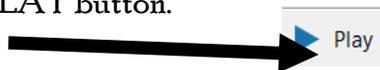

STEP 5: OTHER OPTIONS

1. Alternatively, you can **BURN A CD** with the audiobook files on it to play in your vehicle or CD player. Your computer must have CD burning capability and blank CDs to burn onto. OverDrive will guide you through your computer's process. Start by clicking the **BURN** button.

🔥 Burn

2. Through OverDrive, you can also simply **LISTEN** to your audiobooks through your computer. Simply press the **PLAY** button.

▶ Play

3. Now your audiobook is ready to listen to! The file will expire after the specified lending period, and the file will not work past that. Contact the Library for any questions!
HAPPY LISTENING!

For eBooks

For **audiobooks**, click on and download **OverDrive**.

STEP 3: AUDIOBOOKS!

1. Now you can select which audiobook(s) you want to borrow, you can browse popular categories, select genres or search for specific titles.

This symbol means that the book is an audiobook, so make sure you click on a title that the symbol is bolded, a faded one is **unavailable** and will have to be put on hold.

2. Once you've selected your title, click **BORROW** and sign into your account if you haven't already. Call the Library staff at **(204) 677-3717** to set up your login information.
