

CBOLIMBLONOS LISTS

Surrey Libraries staff and volunteers are using Bibliocommons to organize lists of new and exciting titles that you can bring home.

1. Access Bibliocommons at Surrey Libraries by running a catalogue search on our website or visiting this link: <http://surrey.bibliocommons.com>
2. Click the Explore button for automatically updated lists of New Titles, Bestsellers, Award-Winners, and Recently Active Items.

3. Select *List* to search for a great variety of user-created lists. *List* is located in the drop-down menu next to the search box.

These lists are created by Bibliocommons users throughout North America. If a title on a list is available at Surrey Libraries it will be linked to our catalogue for quick access.

4. **Print (Optional)** – Click the print icon  just to the right of a list to print it.

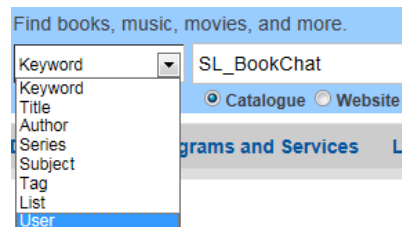

CBOLIMBLONOS LISTS

Surrey Libraries staff and volunteers are using Bibliocommons to organize lists of new and exciting titles that you can bring home.

Surrey Libraries curates booklists for your convenience. These lists can be found by

1. Finding an SL username in the Catalogue.

2. Then selecting our Lists in the Shelves bar.
