Using OverDrive with the Kobo Arc

With the OverDrive Media Console app, you can download Adobe EPUB and PDF eBooks and MP3 audiobooks to your Kobo Arc.

Turn on Wi-Fi
1. Turn on your Kobo and tap the **Home** icon.
2. Now tap the **Get Apps** icon.
3. Then tap **Settings**.
4. Tap **Wireless and Networks**.
5. Touch the box next to Wi-Fi to turn on Wi-Fi. Now choose an available network. Touch the **Home** icon to return to the main screen.

Download the OverDrive Media Console App
1. Touch the **Get Apps** icon.
2. Open the **Google Play** app.
3. Enter the word "Overdrive" into the search box and click the magnifying glass to search.
4. Select **OverDrive Media Console** in the search results list.
5. Tap **Download**, and then agree to the license agreement by tapping **Accept and Download** to install.

Launch the App and enter your Adobe ID
1. When you tap and launch the OverDrive app you will be asked to enter your Adobe ID.
2. If you already have one, tap **Settings** to enter it or click **Get ID** to obtain one.

Add Calgary Public Library to your Library List
1. Touch the **Menu** icon in the app.
2. Touch **Get Books.**
3. Touch **Add A Library**.
4. Enter **Calgary Public Library**, and add us to your Library list. (It doesn't matter which branch you add).
1. Tap the library name to open OverDrive Media Consol's main page.

Find eBooks and audiobooks to Borrow
1. You can use the **Advanced Search** to limit the results to these formats, or you can do a simple **Search** to look for a specific author or book title.
2. You can also click **Only show titles with available copies** to narrow your search.
3. When you find the title you want, click **Add to Cart**. If the title is not available, click **Request Hold** and you will receive an email with a link to OverDrive when the copy becomes available.
4. From your cart, click on **Proceed to Checkout**. You will be promoted to enter your library card number and PIN. Choose the lending period from the drop-down menu and then click **Confirm check out**.
5. Touch the **Download** button under the item and the title will automatically download and open in the Overdrive app.

Returning and Deleting eBooks
1. Adobe PDF or EPUB eBooks may be returned or deleted at anytime. Touch and hold your finger on a title in the bookshelf view of the app and choose **Return and Delete**.

Note: If you're using a **Kobo Glo** or **Kobo Mini eReader**, you'll need to first download the eBooks or eAudiobooks to your computer and then transfer them to your device. Consult our help guides for eBooks and eAudiobooks for more information.
