

Using OverDrive with the Sony Wi-Fi-PRS T1

With the Sony Reader Wi-Fi you can directly download eBooks and audiobooks to your device without the need for a computer.

Connect to a Wi-Fi network

1. Tap the black **Status Bar** at the top of the screen.
2. Put a check in the box next to **Wi-Fi**, then tap **Wi-Fi Settings**.
3. Tap on your Wi-Fi network to connect.

Register your Reader

Note: You can skip these steps if you've already registered your Sony Reader through the Sony Reader store.

1. From your home screen, tap **Reader Store**.
2. Tap **Create Account**.
3. Follow the on-screen prompts to create your account. This will also create and register an Adobe ID for you with the same credentials.

Find Calgary Public Library

1. From your home screen, tap the '>' button at the bottom-right-hand-corner.
2. Tap **Public Library**, then **Discover More Here**.
3. Search for Calgary Public Library using the provided box, using either your Postal Code or by entering "Calgary Public Library."
4. Tap on **Calgary Public Library** from the list of search results.
5. On the library details page, tap on **OverDrive** to start browsing.

Browse, check out, and download

1. The Sony Wi-Fi eReader supports Adobe EPUB eBooks and OverDrive MP3 audiobooks. You can use the **Advanced Search** to limit the results to these formats.
2. Search for the title you wish to borrow. You

can use the advanced search to browse by file type, subject, author, title and more. You can also click "**Only show titles with available copies**" to narrow your search.

3. When you find the title you want, click **Add to Cart**. If the title is not available, click **Request Hold** and you will receive an email with a link to download when the copy becomes available.
4. From your cart, click on **Proceed to Checkout**. You will be promoted to enter your library card number and PIN. Choose the lending period from the drop-down menu and then click on **Confirm check out**.
5. Touch the **Download** button under the item and the title will automatically download and open in the Overdrive app.

Returning and Deleting eBooks

1. Adobe PDF or EPUB eBooks may be returned or deleted at anytime.
2. Touch **Books** to get a complete listing of titles on your reader.
3. Touch and hold your finger on the book you want to return early. A menu of options will appear.
4. Select **Return Book**, and select **Confirm**.

Transferring eBooks from your Computer

⇒ For older, non-WiFi models, you can transfer eBooks from your computer to your Sony Reader WiFi using the Sony Reader Library software: **Sony Reader for PC™** (or **Reader for Mac™**). You can download these for free at: ebookstore.sony.com/download/. You will still have to register your reader from the Reader Store.
