HELP SHAPE THE FUTURE OF OUR COMMUNITY LIBRARY

**Put your name forward for appointment
to the library board.**

Every year, at the first January meeting, residents are appointed to the library board by council. The board helps shape public library policies and improve library collections, programs and services – now and into the future.

Your skills and personal expertise can play a vital role in improving the lives of your neighbours and the well-being of our community. Please consider putting your name forward to council for consideration.
