## Author Read-alikes

"Read-alikes" are available at the Result List and every Book, Audiobook, Author, and Series Detail page. Now, finding read-alikes is as simple as entering a name in the Search box and clicking Search. Beneath each listing, you'll find links to the available recommendations. These links direct you to a concise list of read-alikes, each with information explaining why it's being recommended.

On the right-hand side of the Author Detail page, NoveList Plus offers up to nine author recommendations that might interest you, based on the subject headings and appeal terms of the one you're looking at. Rolling your mouse over the magnifying glass icon above an author's name will open a hover with information explaining why the recommendation is a good match.
