

Developed by the creators of THE KEY Study Guides, SOLARO is an online tool providing study help and exam preparation for Mathematics, English Language Arts, and Science, following the Alberta curriculum for **grades 3 - 12**.

NEW!

SOLARO has added Social Studies for grades 6, 9, 10, 11, 12.

For Students

SOLARO offers students a safe, reliable learning environment with resources that support their daily schooling. Students can use these resources at home, school, or on the go!

- Access lessons, quizzes, tests, and other study tools on the web or via mobile apps for Apple or Android
- Take notes and make flashcards to make studying and reviewing easier
- Review detailed solutions to every completed practice question
- Real-time reporting and updates on the progress and content mastery for each registered child
- All learning content is age appropriate and aligned to regional standards

Getting Started

Visit www.marigold.ab.ca/eresources to access SOLARO. Enter your library card barcode number and PIN/password. SOLARO will issue you a Username and Password. Now you can log in immediately through the website <http://app.solaro.com> or through the app on your mobile device.

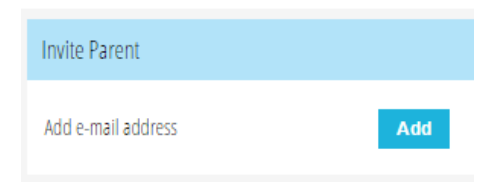

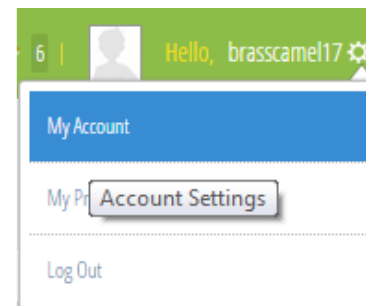

Choose your region (Alberta) and grade. Select your classes - Mathematics, English Language Arts, Science, or Social Studies.

For Parents

The SOLARO Parent Interface allows parents to monitor their children's progress by providing detailed reports for each registered child's account. The reports show how many activities have been completed, the student's progress through the courses, achievements on tests and assignments, and areas in need of improvement.

Creating the Parent Account

A parent account is created by the student sending an emailed invitation from the **My Account** section of SOLARO:

Explore

Visit SOLARO Student Support at www.solaro.com/support/student/introduction

Here you can view short instructional videos on practice assessments, lessons, practice tests and quizzes, creating flashcards, and more.

Forgot Your Password?

When creating your account, be sure to visit your profile page and add a recovery email address!

The image shows a portion of a web form for account creation. It includes a 'Confirm New Password' field, a 'Password Recovery E-mail' field which is circled in red, and a 'Change Password' button.

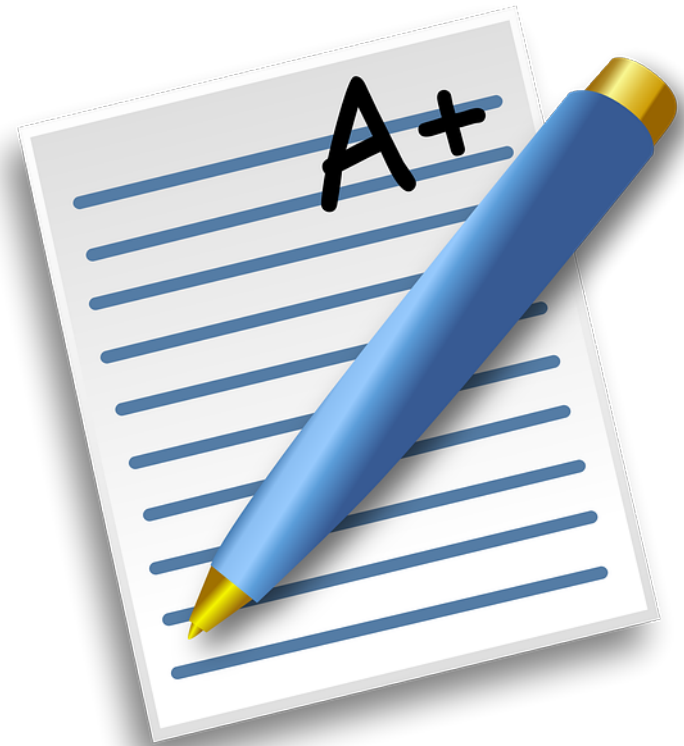

If you did not enter a recovery email address and have forgotten your password and have a parent linked to your account, the parent will be able to reset your password. If you do not have a parent linked to your account, please email SOLARO Support at SUPPORT@SOLARO.COM with the subject line of PASSWORD RESET REQUEST. Include in the message your USERNAME, NAME, and GRADE LEVEL.
