STEP 4: eBOOKS!

1.

Now you can select which ebook(s) you want to borrow, you can browse popular categories, select genres or search for specific titles.

This symbol means that the book is an audiobook, so make sure you click on a book that the symbol is bolded, a faded one is unavailable and will have to be put on hold.

2.

Once you've selected your title, click **BORROW** and sign into your account if you haven't already. Call the Library staff at **(204) 677-3717** to set up your login information .
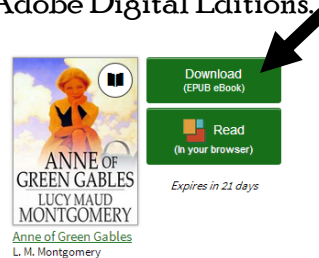

STEP 5: DOWNLOAD!

1.

Go to your **BOOKSHELF** and select **DOWNLOAD** in **EPUB** version, the book will now open in your Adobe Digital Editions.
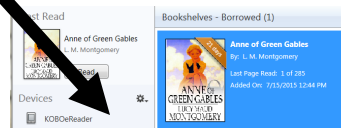

2.

Plug your device into your computer using it's USB charging cord. It may require you to select "Manage Library" or a similar function on your device.

3.

With your computer mouse, **DRAG & DROP** the ebook from the main page onto your device.

Now your ebook is ready to read! The file will expire after the specified lending period, and the file will not work past that. Contact the Library for any questions! **HAPPY READING!**
